

Piri

2019

RIESLING | 0,75 L

Brilliantly aromatic, clear peach, graceful elegance, dense acidic structure, juicy, upfront, noticeably smooth, mineral finish with salty notes.

Serving suggestion: poultry dishes, fried fish and shellfish.

Location

"Senftenberger Piri" represents three south-facing mica schist vineyards that are almost identical: same gradient, nearly identical soils and a common microclimate. That is why we consider them as one. We bottle our Grüner Veltliners and Rieslings grown here as upper Kabinett wines.
