

# Nigl

## Schmeckata 2021

Already in the 1950s, our grandfather cultivated Sauvignon Blanc and Muskateller, fermented these two varieties together and called it Schmeckata. We want to revive this tradition with our new young wine.

### Tasting Note:

Intense scent of gooseberries combined with a good structure and great drinking flow.

## FACTSHEET

**Region:** Niederösterreich  
**Single Vineyard:** -  
**Soil Type:** Loess and mica schist
